Re: United States v. Eduardo Suazo Nunez
20 MJ 847

Dear Judge Aaron:

I write to respectfully request that the Court modify Mr. Suazo Nunez's bail conditions to eliminate his curfew. Pretrial Services consents to this request and the Government defers to Pretrial.

On September 26, 2023, Magistrate Judge Ona T. Wang ordered Mr. Suazo Nunez released on his own signature and several additional bail conditions, including *inter alia* a curfew enforced via electronic monitoring. Since his release, Mr. Suazo Nunez has fully complied with his bail conditions. He now seeks to remove the requirement that he abide by a curfew enforced by location monitoring, particularly in anticipation of family gatherings surrounding the holidays.

As noted above, Pretrial Services consents to this request. Assistant U.S. Attorney David Robles informs me the Government defers to Pretrial Services. Accordingly, I ask that the Court remove Mr. Suazo Nunez's curfew and continue with his other bail conditions.

Sincerely,

/s/ Hannah McCrea
